

## **Martek Power achieves AS9100:2004 Rev B Certification**

*Torrance, CA., Nov 13, 2008--* Martek Power, Inc. is proud to announce that it has received AS9100:2004 Rev B certification from Underwriters Labs. This certification standard takes ISO 9001:2000 and nearly 100 additional requirements specific for ensuring quality components for the Aerospace Industry. This certification continues to show our commitment to design, manufacture and market high quality power supplies and power systems that meet or exceed customer expectations in quality, cost and delivery; and our top management's commitment to continually seek improvements and more effectiveness of our quality system to achieve its goals.

The AS9100 standard was established by the International Aerospace Quality Group (IAQG) for the purpose of achieving significant industry improvements in quality and safety, and reductions in cost throughout the value stream.

Martek Power, Inc., designs, develops, innovates and provides reliable custom, complete power solutions in addition to our standard power supply lines. Power supplies are manufactured in our AS 9100:2004 Rev B. and ISO 9001:2000 certified facilities in the USA, France, U.K., Mexico, China and Tunisia. As a result, our products are of high quality and highly competitive in price.
