

Martek Power/Abbott Appoints TTI, Inc. as Global Distributor for Military Power Management

Torrance, Calif., June 11, 2012 – Martek Power/Abbott, a worldwide leader in the manufacturing of power supplies and power conversion solutions, announced today that the company has signed a global distribution agreement with TTI, Inc. to distribute the Martek Power/Abbott Military Power Management product portfolio.

Martek Power/Abbott is a world leader in design and manufacture of standard, modified-standard and custom AC/DC power supplies and DC/DC converters to the military sector and offers a superior level of quality. TTI has a long history of success to the military segment and is well established as the leading supplier of interconnect, passive, E-Mech and discrete semiconductor components to military customers.

Jeff Ray, TTI Vice President Supplier Marketing, said, “We are pleased to partner with Cooper Bussmann to distribute the Martek Power/Abbott product portfolio. Doing so further enhances TTI’s line card and presents an expanded, robust offering of power management products to our customers.”
